It was brought to the notice of Govt. that in Transport Department, several Unit Offices have been established in the state headed by Motor Vehicles Inspectors performing independently several functions of the Regional Transport Officers including the supervision on technical cadre of Assistant Motor Vehicle Inspectors that the some of the main technical services of the Department that are attending by Motor Vehicles Inspectors/ Assistant Motor Vehicle Inspectors are licensing of drivers and conductors, inspection of all motor vehicles to ensure proper manufacturing standards before registration and periodical issue of fitness certificates and constant supervision and issue of pollution control certificates and in the event of accidents they provide “Expert Evidence” as to the mechanical condition of the vehicle and causes of accident etc., that since the strength of public/ private / personalized vehicles have increased in an un-imaged manner, the responsibilities of the technical executives i.e., Assistant Motor Vehicle Inspectors and Motor Vehicles Inspectors have also been increased and at present the Assistant Motor Vehicle Inspectors are attending at about 18 functions and in respect of Motor Vehicles Inspectors they are attending nearly 21 functions.

3. The Transport Department is one of the main revenue generating departments of the State by earning more than Rs.1,100-00 crores per annum; that for the generation of the revenue, the pivotal role is played by the Motor Vehicle Inspectors and Assistant Motor Vehicle Inspectors and these posts are attached with multifarious activities which are not comparable with the functions of other Government officials including technical personnel; that the duties involve both regulatory and enforcement of the provisions of the Motor Vehicle Act 1988 and relevant Rules framed there under. Further, in most of the other Departments where technical personnel are being employed like Engineering Departments, there all categories of post with Gazetted ranking right from the initial posts itself, whereas in the Transport Department alone this contingency is existent.
